All our Community Integrated Contraception and Sexual Health clinics offer confidential walk-in and appointment service, contact help line on 0208 442 6536 to book an appointment for sexual health screening and contraception procedure (implant insertion and removal or coil insertion) Appointment line is open Mon to Fri 9.30-4.30 or visit www.shharingey.co.uk for information.

We offer ONE stop confidential, non-judgmental integrated contraception and sexual health service.

We offer an appointment and walk-in service.

- Limited walk in is offered at St Ann's Integrated Contraception & Sexual Health Clinic.
- We offer screening and treatment for all types of sexually transmitted infections (STIs) at St Ann's CaSH Clinic.
- Asymptomatic screening (having no symptoms) for sexually transmitted infections is available at all other CaSH Clinics.
- We provide information to women to make an informed choice about contraception methods, including Long Acting Reversible Contraception (LARC).
- We provide emergency contraception, supply condoms and lube.
- We have two dedicated walk in clinics weekly for Young People under 25. C Card scheme registration is available to under 25, for information visit www.comecorrect.org.uk
- Our outreach Community HIV Nurse Specialist supports HIV patients living in the community
- You can also email whh-tr.infocash@nhs.net or visit www.shharingey.co.uk to request an appointment.
- Our central appointment booking help line 0208 442 6536 is open Mon to Fri between 9.30am-4.30pm.
- You need to book an appointment for sexual health screening and contraception procedures (implant, insertion or removal or coil insertion).
- We provide implant, depo and coil procedures for all ages; we ONLY provide contraceptive pills for women under 25.
- FREE sexual health services is also available at your local Healthy Living Pharmacy: Chlamydia and Gonorrhoea Testing, Emergency Hormonal Contraception, Chlamydia Treatment, Condoms and HIV Point of Care Testing (at selected pharmacies) visit www.haringey.gov.uk/hlp or www.haringey.gov.uk/sexualhealth
- Visit www.shharingey.co.uk for further information.

Services NOT offered in our clinics:

We do not offer contraception pills to women over the age of 25, you need to see your GP for your prescription.

We also do not offer smear test.

We provide training sessions to both health professionals and non-health professionals on a regular basis; email us if you are interested.

We would like to hear from you, email us at whh-tr.infocash@nhs.net if you have any comments, complaints or compliments.
